MEMORANDUM OF UNDERSTANDING
Professional Development Outside of the Work Year

The parties to this agreement, the Canton Area Education Association (hereby referred to as Association) and the Canton Area School District (hereby referred to as District) agree to the following Memorandum of Understanding to the contract between the Association and the District, effective July 1, 2022:

Specifically addressing professional development opportunities requested by the Association member that occur outside the member work year:

In the event that an Association member requests to attend a professional development event outside of the member's work year, and if the event is approved by the Superintendent of Schools, the district will agree to reimburse the member for the registration fee, up to a maximum of \$250. All other associated costs of the event will be the responsibility of the member.

Association members will be limited to no more than two (2) such reimbursements in one (1) fiscal year (July 1 – June 30).
