Minutes: Members present approved the minutes from the February 7, 2023 meeting.

Unresolved Old Business:

- None.

New Business:

- **Review of Wellness Board Policy:** Mr. Jannone distributed the Wellness Policy and Plan assessment tool for review. Mrs. Sexton offered some suggestions to a few areas for improved compliance. The triannual assessment will be presented to the board for approval at the May 11th board of education meeting.

Other Concerns:

- Mr. Tyler Engel and Ms. Alexis McRoberts expressed the desire for some sort of water dispensing unit in the cafeteria for those who would like to get standard fountain water with their lunch. They also asked if it would be possible to ensure more variety for 3rd lunch as certain items seem to run out before that lunch period. Mrs. Tillotson said she would see what could be done to help with that.

Next meeting is scheduled for **September, 2023 (TBD)** at **2:30 PM in HS room 123.**

Respectfully Submitted,

Mark Jannone

Business Manager / Committee Secretary
