

## **23-24 Canton Jr. Sr. High School Senior Parking Space Personalization**

All senior students are eligible to personalize their assigned parking space. Show your school spirit and depict the highlights of your high school experiences! Your design must be school and public appropriate and may include images of sports ball, jerseys, band instruments, music notes, cheers, the official school logo, etc.

How it Works:

- Student completes the required application and submits for administrative approval
- Once the design is approved by administration, a \$50 refundable deposit will be required
- Once the payment has been made, a 5' x 5' area will be placed in the space.
- The space may be decorated during non school hours according to the approved design
- Students are responsible for all paint and materials
- Personalization will occur after school hours once parking space is assigned on the first day of school
- Design must be removed or painted over in black prior to 5/24 (or on first day of grad practice)
