

**Arnot Medical Center
School of Nursing**

ArnotHealth

Elmira, NY

**NEW
for Fall 2024
\$0 application
Fee**

October 13, 2023

Dear Guidance Office:

The Arnot School of Nursing is a 2-year associate degree hospital based registered nurse program right here in Elmira on the ArnotHealth campus, and we are excited to be holding our first in person open houses since covid.

Why would you want your students to attend our school?

- Our NCLEX pass rate for the last 6 graduating classes has been 100%
- Employment rates for the last 6 graduating classes is 100%

How do we do it:

- This is a well-established RN nursing school with a 140+-year history
- Small classrooms and clinicals
- Clinical hours begin after the first 5 weeks of classes students' Freshman year
- The most clinical hours of any program in the area
- Very affordable-with financial aid and Scholarships
- Close to home

We have room for only 30 students for the Fall 2024 semester. Our application is available on our website: www.arnothealthson.org. **Our Deadline to apply for Fall 2024 is May 15, 2024. However, our acceptance is on a rolling basis, and we will start reviewing and accepting students for Fall 2024 beginning in January 2024 until our program is full.** Please encourage interested students to apply as soon as possible. Students can be accepted into the program pending successful completion of the ATI TEAS test and successful graduation from high school. We do require passing the ATI TEAS test with a 65.7 % by May 15th. Information on the ATI TEAS can be found at: www.atitesting.com.

ArnotHealth, in an effort to help stem the nursing storage, is investing in sponsorships for Fall 2024. Students who are accepted into the sponsorship program will be able to attend the Arnot School of Nursing practically for free. A full announcement on the program is expected in November. Stay tuned for more Details.

If you have students who would like to meet in person to discuss our program, I would be happy to schedule an in-person or Zoom visit. I am also interested in tabling at your school or career fair if possible.

I look forward to working with you and your students. I am enclosing our open house poster. Thank you in advance for posting this for students. Please do not hesitate to reach out with questions or if you need additional materials. I would be happy to drop off as many as you may need.
