### Definition

State law defines the term **tobacco product** to broadly encompass not only tobacco but also vaping products including the product marketed as Juul and other electronic cigarettes (e-cigarettes). **Tobacco products**, for purposes of this policy and in accordance with law, shall be defined to include the following:[1][2]

1. Any product containing, made or derived from tobacco or nicotine that is intended for human consumption, whether smoked, heated, chewed, absorbed, dissolved, inhaled, snorted, sniffed or ingested by any other means, including, but not limited to, a cigarette, cigar, little cigar, chewing tobacco, pipe tobacco, snuff and snus.
2. Any electronic device that delivers nicotine or another substance to a person inhaling from the device, including, but not limited to, electronic nicotine delivery systems, an electronic cigarette, a cigar, a pipe and a hookah.
3. Any product containing, made or derived from either:
  - a. Tobacco, whether in its natural or synthetic form; or
  - b. Nicotine, whether in its natural or synthetic form, which is regulated by the United States Food and Drug Administration as a deemed tobacco product.
4. Any component, part or accessory of the product or electronic device listed in this definition, whether or not sold separately.

The term **tobacco product** does not include the following:[1][2]

1. A product that has been approved by the United States Food and Drug Administration for sale as a tobacco cessation product or for other therapeutic purposes where the product is marketed and

sold solely for such approved purpose, as long as the product is not inhaled.

2. A device, included under the definition of tobacco product above, if sold by a dispensary licensed in compliance with the Medical Marijuana Act. *Federal law requires the district to maintain a drug-free environment, at which marijuana of any kind is prohibited.*[3][4]

### **Authority**

The Board has the authority to prohibit at a school event the attendance of any individual whose conduct may constitute a disruption. The Superintendent or designee and building principal may limit attendance to designated areas or may limit the number of attendees to school events when necessary to protect the health and safety of students, staff and the public, in accordance with Board-approved health and safety plans and guidance from state and local officials.

The Board prohibits gambling and the possession and use of controlled substances prohibited by state or federal law, alcoholic beverages and weapons on school premises.[5][6]

Attendees shall be informed of the district's health and safety rules through announcements and posting of appropriate signage. Health and safety rules must be followed prior to entry and while attendees are in school buildings and on school property, in accordance with Board policy, district procedures, the Board-approved health and safety plans and guidance from state and local officials.[7]
